

# Hakomatic B 100 R

**NEW**

Slim line, manoeuvrable,  
efficient.

Contract  
Cleaning

## The advantages at a glance:

Narrow, compact construction, fits through almost any doorway. For confined conditions e.g. turning in narrow corridors or highly suitable for supermarket checkouts. With a steering lock of 90° to both sides it is possible to turn in aisles and corridors with a width starting from 155 cm.

Optionally available with cylindrical brushes or plate brushes (working width 65 cm). ① As a result of the combination of cylindrical brush and dirt hopper not necessary to sweep in advance. Connectible electro-mechanical increase in brush pressure at the push of a button. Quicker change of plate brushes / cylindrical brush without the need for tools.

Large clean and dirty water tank with integrated clean water filling level display. ②

Different battery capacities can be chosen depending upon your requirements. ③ Service-friendly access by easy tipping of the dirty water tank.

As well as:

- Comfortable workplace
- New parabolic squeegee
- Automatic squeegee lift in reverse mode.
- Hako AquaControl-System.

### Technical Data Hakomatic

		B 100 RT*	B 100 RW*
Working width	cm	65	65
Squeegee width	cm	85	85
Area performance, theoretical	m <sup>2</sup> /h	4200	4200
Rated voltage	Volt	36 DC	36 DC
Number of brushes	Units	2	2
Working speed	km/h	6,5	6,5
Clean water tank	Litres	102	102
Dirty water tank	Litres	102	102
Width without/with squeegee	cm	60/85	60/85
Weight without battery	kg	310	310
Weight, wet with battery	kg	560	560
Total power/output	kW	2,23	2,42
